

The Foundation Schools 2018 Benefit

Dear Friend,

The Foundation Schools has been helping students rise above their challenges to see a successful future for more than 40 years. On March 22, 2018, you can help The Foundation Schools continue to pave the way for future generations by being a sponsor or donating an auction item for our annual Benefit. This exciting event is held at the University of Maryland Samuel Riggs IV Alumni Center and raises funds for the much needed intensive programming our students require. Together, we can help the students of The Foundation Schools experience academic and personal success despite their emotional, behavioral, and learning challenges.

Our mix of academic support and therapeutic services has given thousands of students with emotional disabilities, autism spectrum disorders and intellectual disabilities throughout the greater Washington area another chance to reach their full potential. Each year, we serve 350 students in grades K-12 at two locations: The Foundation School of Montgomery County in Gaithersburg, MD and The Foundation School in Largo, MD. With 80 percent of our students living below the poverty line, the generosity of community supporters provides our students with invaluable opportunities and resources they would not otherwise have.

As a contributor, you leave a lasting impression on the lives of our students and their futures as outstanding community members. Please contact Kelli Kunert, Director of Communications and Development, at kkunert@foundationschools.org or 301-881-0078 x114 if you can help or have any questions.

Thank you for helping our students *rise above their challenges!*

Sincerely,

Gina R. James, M.A.
