

The Foundation Schools 2019 Benefit

MARCH 28, 2019 ■ 6:00 PM

Dear Friend,

For 44 years The Foundation Schools has been helping students build a road to success. On March 28, 2019, you can help The Foundation Schools continue to pave the way for future generations by being a sponsor for our annual Benefit. This exciting event is held at the University of Maryland Samuel Riggs IV Alumni Center and raises funds for the much needed intensive programming our students require. Together we can help the students of The Foundation Schools experience success despite their emotional, social, and learning challenges.

The academic support, therapeutic services, and compassionate care given by The Foundation Schools has helped thousands of students with special needs in the area of emotional disabilities and in more recent years students with autism reach their full potential. Each year, we serve 350 students in grades K-12 from the Washington metropolitan area at our schools located in Prince George's and Montgomery counties. With 80 percent of our students living in poverty, the generosity of community supporters like you gives our students invaluable opportunities and resources they would not otherwise have.

As a contributor, you make an impact on our students and their futures and we are truly grateful! Please contact *Kelli Kunert, Director of Communications and Development*, at kkunert@foundationschools.org or 301-881-0078 x105, or *Adam Schaff, Development Assistant*, at aschaff@foundationschools.org or 301-887-0078 x114, if you can help.

Thank you for helping build the road to success!

Sincerely,
