

# Back to School Drive

August 3 - September 4, 2020

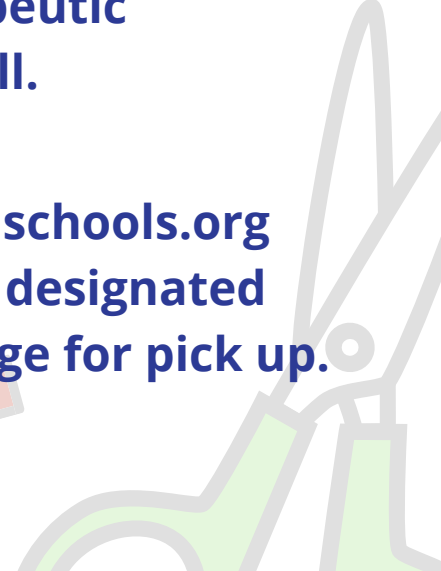

Help our students in need be ready to return to learning. Our students struggle in the best of times, and the pandemic has created many additional challenges.

Send a message of support and encouragement to our students by donating supplies to improve their educational and therapeutic learning experience online this fall.

Please contact us at [mfinney@foundationschools.org](mailto:mfinney@foundationschools.org) when you plan to drop off supplies at our designated locations below or if you would like to arrange for pick up.
