

The Foundation Schools

Welcome to The Foundation Schools' Fall Virtual Auction.
We are so happy you are joining us!

Click [here](#) to view our exciting auction items. It's easy to participate.
Let's go over how to place a bid to win!

Browse through our auction items, perfect for treating yourself or gifting to a friend! Click on an item if you'd like to read more about its contents and to place a bid. Here, you will find the value of the item at the top and the starting bid next to "Minimum Bid."
If you are the lucky winning bidder, we will deliver locally in the Washington metropolitan area.

Once you place a bid, you will be redirected to a new page. Scroll to the bottom and select "Create New User."
Please enter your contact information and create a password. You will now receive a bidder number. If you are temporarily outbid during the auction, you will receive an email notification.
Remember to check your email throughout the auction!

If you'd like to view your active bids during the auction, click "My Bids" on the pink header under our logo.

Once the auction is over, you will receive an email to notify you of any items you won. In this email you will follow a link to provide your payment method and we will contact you about your preferred method of pick-up.

If you have any questions or have any difficulty, please contact Morgana Finney at mfinney@foundationschools.org

Good luck and have fun!
