SUPPORTING
OUR NEW
AUTISM
HIGH
SCHOOL

Dear Friend,

The Foundation Schools 501(c)(3) is excited to host our annual virtual Spring Auction in support of the establishment of our fourth school, *The Foundation Learning Center High School*, for students with autism in Prince George's County, Maryland. Our mission is to provide a highly specialized educational and therapeutic program for students identified with emotional disabilities, as well as those with social, emotional and learning challenges, preparing them to be lifelong learners. *The Foundation Learning Center High School* builds on our 50-year history of responding to community needs and championing special education students, and we're excited to extend this opportunity for you to join us in investing in its success.

As a contributor to the April 20-24 virtual Spring Auction, you will help fund the critical school resources needed to begin our inaugural year. If you would like to become a sponsor or make an auction item donation, please use the enclosed forms or contact Morgana Finney, Director of Communications and Development, at mfinney@foundationschools.org, 301-881-0078 x0114. Thank you for helping our students!
